

November 2017

As part of NEFCU's ongoing security efforts, an additional safeguard has been added to assist you in monitoring your accounts. You can now receive **Debit Card alerts** via text or email which will alert you to changes in your account balance or if international or online activity occurs on your account.

For Added Security - Use your NEFCU EMV Chip Debit Card anywhere your NEFCU VISA® Card is accepted. The embedded chip uses secure technology which makes it harder to copy your account information, and better protects your account from fraud. By now, you should be using a NEFCU chip debit card. If you cannot locate the chip card previously sent to you, please visit one of our [branches](#) or call us today at **(516)561-0030**.
